RE: Georgia Hemp Farming Act (House Bill 213)

Due to the Solicitor's Office research, it appears that prosecution on these cases may not be legal after May 10, 2019. Therefore, effective immediately, the Solicitor's Office will not prosecute any marijuana cases with the arrest date of May 10, 2019 or thereafter due to the law change regarding THC levels. Nolle Prosequi motions may be submitted in such cases.
